January 25, 2010

An act to amend Section 56011 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

SB 896, as introduced, Cox. Local government: organization.

Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 defines various terms for purposes of the act, including, among others, "affected city."

This bill would make a technical, nonsubstantive change to this definition.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 56011 of the Government Code is
2 amended to read:
3 56011. "Affected city" means any city that satisfies either of
4 the following conditions:
5 (a) It contains, or its sphere of influence contains, territory for
6 which a change of organization is proposed or ordered, either
7 singularly or as part of a reorganization.
8 (b) It would contain the territory described in subdivision (a)
9 as a result of proceedings for a change of organization or
10 reorganization taken pursuant to this division.
